**CASTLE RESORTS & HOTELS INVITES KAMA'AINA TO STAY & PLAY  
WITH NEW LIMITED-TIME PROMOTION**

HONOLULU (June 17, 2020) – Cabin fever got you down? Looking to enjoy a memorable and safe escape from the confines of your home? Castle Resorts & Hotels has got you covered. In response to the lifted restrictions on neighbor island travel, Castle Resorts & Hotels has launched a special “Kama’aina Stay & Play” promotion, offering 25 percent off best available rates, plus a host of other benefits, at participating properties.

“We have a feeling that many residents are going to be looking to escape the quarantine doldrums and this package was designed to provide a great rate and added value to make summer travel a reality,” said President and CEO Alan Mattson. “We also recognize that there will be heightened concerns regarding hygiene, and we’ve launched our Castle Cares enhanced cleaning standards to keep guests and employees healthy and safe.”

In addition to 25 percent off best available rates, the Kama’aina Stay & Play package includes early check-in, late check-out and room upgrades based on availability. Other property-specific benefits range from free parking to waived resort fees. The package is available at the following properties: Oahu: Bamboo Waikiki Hotel, Waikiki Grand Hotel, Waikiki Shore, Kauai: The Iso, Kiahuna Plantations and the Beach Bungalows, Kauai Kailani, Kaha Lani; Island of Hawaii: Hilo Hawaiian Hotel, Halii Kai Resort, Kona Reef,

Kona Bali Kai, Kanaloa at Kona, Waimea Country Lodge; Maui: Paki Maui, Kamaole Sands, Polynesian Shores; Molokai: Molokai Shores

The Kama'aina Stay & Play package is available to Hawaii residents with a valid ID on trips booked now through July 31, 2020, for stays through August 31, 2020. A two-night minimum stay is required. Some black-out dates may apply. Guests can book by category or by specific unit. The package is fully refundable if cancelled 24 hours prior to arrival.

Castle Cares demonstrates Castle's commitment to enhanced standards for cleanliness and disinfection at its properties statewide. The program includes new innovative technologies, increased frequency and usage of CDC-approved disinfectants in all guest rooms and high-touch public areas, personal-sized hand sanitizers and disinfecting wipes for guests' personal use, hand sanitizing stations, social and physical distancing, signage, and robust staff training.
